Team Placement Process (Placement/Choreography)

Team Placement FAQs:

- Team placements will be announced via email **no later than May 31st**.
- This will notify all athletes and families of team placement, assigned coaches, practice day(s), choreography camp dates, fees/deadlines, etc.
- Team Practices will commence **Monday, June 5th**. This week will allow athletes to meet their team members and start building cohesion.
- All parents are recommended to attend the first practice to become familiar with our program and ensure all billing, sizing, and scheduling questions are answered. All placements are made with the best interest of the athlete in mind.
- If you have been selected as a Team Representative we will have a meeting at the gym prior to the teams first practices.

Athletes must maintain the skills and technique that they were placed on their team to execute in competition. If they do not, they may be moved to another team if an appropriate spot is available or they may be moved to an alternate position. Athletes must also be successful at stunting in their assigned role to remain on mat.

We want all athletes to know that their best is good enough and will lead them to success. Be Confident and Be Kind, as positive energy is the best way to kick off the season!

- **CHOREOGRAPHY CAMP IS MANDATORY**. If an athlete is unable to attend, the fee still applies and the individual will be responsible for learning the material outside of practice or through private lessons at an extra cost.
- Athletes late to joining the season will still be responsible for choreography and music fees, and will be expected to learn the routine immediately. (Private lessons are available to help new athletes perfect routines.)
